**LES SENTIERS CULTURELS POUR DÉCOUVRIR GENÈVE**  
 Vous qui habitez Genève, connaissez-vous vraiment votre ville? Découvrez la cité de Calvin en dehors des sentiers battus grâce à notre offre originale. Les sentiers culturels vous permettent de découvrir Genève autrement, au gré de balades inédites qui vous mènent d'un musée à l'autre, d'un livre à l'autre, dans le sillage de l'art contemporain, de l'histoire de la botanique ou de l'architecture du Grand Genève. Sur ces sentiers culturels conçus par la Ville de Genève, c'est aussi un plongeur dans l'histoire d'un quartier, à savoir devant une œuvre de l'art public que l'on n'a peut-être jamais remarquée. C'est également choisir la modicité du coût, puisque ces balades se font à pied ou à vélo. Les enfants seront comblés à pointer un regard original sur l'art et la culture grâce à certaines propositions spécialement conçues pour les familles. Des audioguides téléchargeables sur votre smartphone vous permettent d'être autonome pendant votre visite. [Ma by the way!](#)

**LES ESCAPADES SUR LE LÉMAN**  
 De nombreux promeneurs en bateau vous permettent de découvrir les sites magnifiques du Léman, côté suisse ou français. Le CAGI propose des croisières guidées d'une heure ou d'un jour (en privé), qui sont très agréables. Vous pouvez déguster un bon repas à bord d'un bateau à croisière à la fin du début du XIXe siècle, qui invite les visiteurs à découvrir de la belle époque et d'où vous pourrez admirer de splendides paysages. Le CAGI propose également des escapades privées de charme jusqu'à la cité médiévale d'Yvoire (FR), dont vous pourrez découvrir les rues piétonnes et les jardins des cinq ans après l'été.
