## Retrouvez les "coups de cœur de l'été" du Kiosque culturel du CAGI à l'ONUG

Que faire cet été si vous restez dans l'arc lémanique ? L'équipe du Kiosque vous donne quelques idées d'activités de plein air, à pratiquer seul ou en famille

Michael Cochet\*

**V**ous vous posez peut-être chaque année la même question : que faire cet été en Suisse ? Pourtant, le bassin lémanique offre une multitude

d'activités culturelles et touristiques. Voici un florilège d'idées pour faire le plein de culture et d'esprit cet été au grand air. »

**DES SENTIERS CULTURELS POUR DÉCOUVRIR GENÈVE**

Vous qui habitez Genève, connaissez-vous vraiment cette ville ? Découvrez la cité de Calvin en dehors des sentiers battus grâce à cette offre originale. Les sentiers culturels vous permettent de découvrir Genève autrement, au gré de balades méditées qui vous mènent d'un musée à l'autre, d'un livre à l'autre, dans le sillage de l'art contemporain, de l'histoire de la botanique ou de l'ascension du Mont Blanc. Suivez l'un des sentiers culturels conçus par la Ville de Genève, c'est aussi se plonger dans l'histoire d'un quartier, s'arrêter devant une œuvre de l'espace public que l'on n'a peut-être jamais remarquée. C'est également choisir la mobilité douce, puisque ces balades se font à pied ou à vélo. Les enfants seront comblés à porter un regard original sur l'art et la culture grâce à certaines promenades spécialement conçues pour les familles. Des audioguides téléchargeables sur votre smartphone vous permettront d'être autonomes pendant votre visite. [bit.ly/3WASJDI](http://bit.ly/3WASJDI)

**LES CIRQUEIERS SUR LE LÉMAN**

De nombreuses promenades en bateau vous permettent de découvrir les rives magnifiques du Léman, côté suisse ou français. La CGN propose des croisières guidées d'une heure (un départ par jour), qui sont très agréables. Vous pourrez déguster un bon repas à bord d'un bateau à roues à aubes du début du XXe siècle, qui éveillera en vous la

nostalgie de la belle époque et d'où vous pourrez admirer de splendides paysages. La CGN propose également des escapades pleines de charme jusqu'à la cité médiévale d'Yvoire (FR), dont vous pourrez les rues typiques et où le jardin des cinq sens saura émerveiller vos yeux et vos narines.
